Last training run at the waddensea with a little bit of snow...

I got this "good luck friend" from my godfather child to

The "Deep Point" was not sooo bad...but it was the easy part.

Now, we came to the snow, good luck i had the right clothes, not like the beach girl! Very stuped!

Sometimes it is better to knew the dangerous part, after you past it.

This time i was faster, so i could see the old steam
